ABOUT ME

I am a student of Food Technology in Nông Lâm University, I have participated in many research and product development projects at the school such as vegetarian pate products, Kombucha tea and herbal tea. In addition, I also have experience working in R&D positions in bakery, candy and dried fruit companies. In addition, I participated in many volunteer activities when I was a student. I am someone who enjoys academic research and cooking. I am also a hard-working, responsible and enthusiastic person.
